Conclusion

Appendix
Introduction to Ying Li, a truly differentiated, premier property developer in the heart of Chongqing, one of China’s fastest growing cities
Overview of Ying Li, a leading commercial property developer in Chongqing

First & only “Pure Play” Chongqing high-end commercial property developer listed on SGX-ST

1. **Specialized in developing Grade A office and high-end retail mall projects in prime locations of Chongqing**
   - Completed the most projects in the prime CBD of Chongqing
   - Well known for our prime locations, premium design and quality construction
   - Ranked as one of the leading property players in Chongqing
   - Prime land bank of about 1 million sq.m of planned GFA

2. **Well positioned to tap on the rapid economic growth in Chongqing**
   - Solid growth fundamentals with favorable government policies
   - Strong growth in 1Q 2012 of 14.4% GDP growth places Chongqing as the 2nd fastest growing city in China
   - FDI in 1Q 2012 reached USD 1.77billion, an astonishing 38.6% increase y-o-y, highest growth rate in China
   - Total retail sales was up 16.7% to RMB 97.26billion in 1Q 2012, ranking 1st in China
   - Poised to be the leading city in western China

3. **Unique business model that specializes in urban renewal**
   - High Barriers to Entry
   - Extremely costly and tedious process for many local and foreign developers
   - Lower cost of land resulting in higher profit margin
   - 19 years of strong track record with 100% execution success

**Chongqing – one of China’s fastest growing cities**

**A leading Chongqing CBD developer of Grade A offices and high-end retail malls**
Key Investment Highlights

1. Less affected by the current tightening measures being a CBD commercial developer

2. Well-positioned to tap on the rapid growth of Chongqing City, fastest growing China city in 2011

3. Expected strong cash flows from premium quality pipeline projects
1. Less affected by the current tightening measures being a CBD commercial developer

Current regulatory tightening focused on residential sector

Authorities supportive of strategically-situated high-quality long-term commercial projects

Commercial properties stands to benefit from central government’s drive to increase domestic consumption

Less policy impact on commercial properties
Prime locations in Chongqing’s key CBD districts:
Extensive access to prime land – Properties are located within Chongqing prime CBD districts

1997: Completion of its first project, Min Sheng Mansion, total GFA of 63,342sq.m
…Over the years, we have also proven to be the leading CBD urban renewal developer in Chongqing

**Old city landscape**

- Chongqing terrain is unique
  - Area is heavily built up, with very old buildings
  - Only way to develop prime land is through urban renewal

**Urban renewal process**

- Resettlement is an extremely costly and tedious process for many developers
  - High barriers to entry
- Requires close working coordination with various public departments

**Transformed city landscape**

- Successfully modernized Chongqing’s landscape with iconic skyscrapers
- Active efforts by the government to revamp the city centres of Chongqing

**First mover advantage**

- Successfully completed 8 prime properties in Chongqing, through urban renewal
- Well-positioned to leverage on its experience and network in the local market

**Guanyinqiao BEFORE urban renewal**

**Guanyinqiao AFTER urban renewal**
Distinctive awards and recognition that demonstrate our capabilities…

Chongqing – A Leading Investment Destination

- Increasing shift of interest to Chongqing as coastal cities such as Shanghai and Guangzhou faces rising costs and labor shortage
- Chongqing, named by “Forbes” as one of the World’s Fastest Growing Cities for the next decade, offers a healthy alternative to coastal megacities
- Currently China’s largest municipality with a population of over 30million people, Chongqing government has targeted to increase urbanization rate from the current 28 percent to 70 percent by 2020
- Favorable “Go West” policies coupled with Liangjiang New Area and tax-free zone have attracted both international and domestic companies such as ANZ, Citibank, Deutsche Bank, HSBC, RBS, Standard Chartered, Microsoft, Paypal, Acer, HP, Foxconn, Ford and Volvo to initiate or increase investments into the Chongqing economy
- As at 31 Mar 2012, FDI in Chongqing reached USD 1.77billion and registered an increase of 38.6% y-o-y

Chongqing FDI increased 38.6% in 1Q 2012
3. Expected strong cash flows from premium quality pipeline projects

- Future International
- International Financial Centre (IFC)
- Ying Li International Plaza
- Chongqing Financial Street Project
- Lu Zu Temple Project

Potential of monetising grade-A office and high-end retail mall assets to recycle capital for funding of expansion in high-growth markets
Attractive opportunity to invest into the fast growing Chongqing economy which is enjoying favorable regulatory policies
